

Chris Linden
Chief Operating Officer

Chris is responsible for the day-to-day general management of ActiveVideo, converting its strategic decisions into execution and business growth. He oversees several core functions including global business development, product marketing, cloud platforms and customer operations. Chris is also responsible for the company's OTT content strategy and partnerships.

Before coming to ActiveVideo, Chris was vice president and general manager of Unity Network Services, an iPass business unit (attracting acquisition by Tolt Communications) and held various leadership positions in product management, engineering, and global services in the telecommunications and healthcare sectors.

Chris holds a BS from UCLA and has an advanced program management certification from Stanford University. He lives in Los Gatos, California with his wife and 2 daughters.
